Sub. : Sudden disconnection of power supply to University of Calcutta

Madam,

With reference to your communication bearing no. PVC(B.A.9F)/14/0615 dated 11th June, 2015 on the subject addressed to our Managing Director we would like to confirm that we do not, as a matter of Rule and without exception, disconnect power supply of our respected consumers without serving statutory notice.

Your goodself might be well aware that University of Calcutta is one of our most respected consumer and we never disconnect any of its supplies at any of its campuses, as a matter of principle, without issuing statutory notice followed up by personal contacts with Senior Officials of your esteemed organization.

Your goodself may be rest assured that we will not do anything adverse to the interest of the University of Calcutta, far too speak of disconnecting power supply to any of its campuses without referring the issue to the appropriate level.

As regards furnishing of Bank Guarantee, as and by way of Security Deposit, is concerned in respect of HT supplies only, we would like to place it on record that normally such Bank Guarantee is invoked after disconnecting supply of a defaulting consumer and that too after serving statutory notice. But in case of University of Calcutta we would like to reiterate that we will not disconnect the supply of any of its installations without referring the issue of non-payment etc. to your officials and your goodself personally and that too after serving statutory notice in case of default in making payment of our electricity dues.

Thanking you and assuring you of our best services at all times.

Yours faithfully,

CHIEF LEGAL ADVISOR
