Announces

An Open House on 20-07-11

The Department of Biophysics, Molecular Biology & Bioinformatics offers two courses at the Masters level

- i. M.Sc. in Biophysics & Molecular Biology and
- ii. M.Sc. in Bioinformatics & Biophysics.

The student intake of the former is 14 and the latter is 6 per year. The excellent Faculty strength, orientation of the syllabi and library and laboratory facilities, provide a strong academic base of international standard for the students. This congenial atmosphere enables them to qualify successfully in competitive examinations in India and abroad, including NET, SET, GATE, GRE, and also placement in the industry. The alumni profile shows key positions held by ex-students in TIFR, CDFD, SINP, JNU, University of Calcutta, Jadavpur University and different degree colleges. Some of them are absorbed in TCS, Chembiotech, Roche etc.

The syllabi for both the courses have been revised and structured into semester system with four terms (two terms per year). This open house will provide immense opportunity for the students seeking admission to the courses leading to Masters degree in the above subjects in the form of academic guidance. The day long program (11.00 am to 4.00 pm) will include introductory lectures by the Faculty on teaching and research in the Department followed by the visit to the research laboratory.

The Department welcomes final year students of B.Sc. from degree colleges with honours in physics, chemistry, botany, zoology, physiology, microbiology, molecular biology and biotechnology for this purpose. Each student may be accompanied by one parent. The registration counter will remain open in the above address from 6th to 15th July 2011 during 11.00 am to 5.00 pm.
