**TOPICS**

*“Recent Trends in Mathematics & its Applications”*

**OBJECTIVE**

Mathematics plays a key role in the development of various branches of science as well as in the understanding of physical world problems. We would like to hold a one day seminar on 22<sup>nd</sup> March, 2013, on recent trends in Mathematics with a view to give researchers an opportunity to have interactions among themselves. There will be invited lectures, paper reading sessions and interactive sessions. Young researchers will be given opportunity to demonstrate their own works and have suggestions from experts.

## **PARTICIPANTS**

Other than the invited speakers and contributors of research papers, any student/teacher of mathematics may also participate in the seminar. All willing participants are requested to send e-mail by **March 18, 2013** to e-mail id [seminar.pmath@gmail.com](mailto:seminar.pmath@gmail.com) , mentioning their full affiliations (in the format of Registration Form).

**There is no Registration Fee**

## **CALL FOR PAPERS**

Those who intend to present papers in the seminar, are requested to send e-mails to the e-mail id [seminar.pmath@gmail.com](mailto:seminar.pmath@gmail.com), containing the full version or extended abstracts of their papers on the topic “Recent Trends in Mathematics and its Applications” with key words and AMS subject classifications. The authors are requested to send the pdf file along with the doc/docx/tex files. The last of date of submission of abstract is **March 18, 2013**.
