52. "India's Structural Adjustment Programme: A Review", *Artha Beekshan*, vol. 2, no.1, June 1993, pp 107-124. (Jointly with Anita Chatterjee).

BOOK EDITED

Edited the book (jointly with P.K. Pal and A. K. Bhaumik) titled "*Emerging Issues in the Indian Economy*", 2011, Regal Publications, New Delhi, ISBN No. 978-81-8484-108-4

POST DOCTORAL RESEARCH:

- Obtained the World Bank sponsored Environmental Economics Overseas (**Post-Doctoral**) Fellowship Award under India: Environmental Economics Capacity Building Programme, Ministry of Environment and Forests, Government of India. Worked as a Post Doctoral Fellow under this fellowship programme at the Environment Department, University of York, UK, for the period from 2 January 2002 to 2 October 2002. Completed Post-Doctoral dissertation on the topic "*A Theoretical Understanding of the Issues of Environmental Pollution and Expansion of Urban Informal Sector in a Developing Economy*" under the supervision of Professor Charles Perrings during the fellowship programme at the University of York, UK.
- Credited courses on Applied Environmental Economics and Ecological Economic Modelling as part of the World Bank sponsored Environmental Economics Overseas (Post –Doctoral) Fellowship Programme at the Environment Department, University of York, UK, for the period from 2 January 2002 to 2 October 2002.

PROJECTS:

Completed four research projects, two of which are international projects, one is national level project and the other is a project as a part of Departmental Special Assistance Programme (DSA), a sub-project of the Department of economics, University of Calcutta. Worked as Principal Investigator (Indian side) in one of the two international projects and as Associate Investigator (Indian side) in the other international project. Worked as Co-investigator in the national level project. Worked as the Principal Investigator of DSA sub-project. Details of the projects are stated as follows.

(a) International Level Projects

(i) Shastri Indo-Canadian Research Project

- Worked as an associate Investigator (Indian team) of the Shastri Indo-Canadian Project on "*Assessing Environmental Management Options to Achieve Sustainability in Shrimp-Mangrove System in the Indian Coastal Zone of Bay of Bengal*". Was in charge of the bio-economic modeling part of the project (node 1 of the project). **Visited School of Resource and Environmental Management, Simon Fraser University, Canada, to work on the modelling part of the project with the Canadian team members of the project.** [The partner Institutes for the project are Jadavpur University (JU), Calcutta, India, and Simon Fraser University (SFU), British Columbia, Canada. Duncan Knowler of School of Resource and Environmental Management of SFU is the Principal Investigator and Joyashree Roy of Global Change Programme, JU, is the Chief Co-investigator.] . It was a 26 months project starting from 1st July, 2003, and the total fund allotted for the project is CND\$ 121611. The amount allotted for Indian side was CND\$71498 (equivalent to Rs. 2144950)

(ii) Japanese Project

- Acted as a Principal Investigator of a one-year research project (April 2009 to March 2010) with Anindya Bhattacharya of Institute for Global Environment Strategies (IGES), Japan, titled ***“Impact of Integrated Watershed Projects on Sustainable Development in India : A Quantitative Approach”***. The project has been funded by Institute for Global Environment Strategies, Japan. The total amount of the project for one year is 1500000 Japanese yen.

(b) National Level Projects: UGC Major Project

- (i) Worked as a co-investigator of a University Grants Commission (UGC) , Government of India, major project on ***“ Sustainable Development of Inland Capture and Culture Fisheries - a case study of selected water bodies in the Burdwan district of West Bengal.”*** The duration of the project has been from 29/05/2002 to 28/05/2005(3 years). The total amount is about Rs 363445.**The project report has been submitted on due time.** The Principal Investigator of the Project is Professor Soumyendra Kishore Datta of the Department of Economics, Burdwan University.
- (ii) Completed Departmental Special Assistance (DSA) Project (a sub-project) amounting to Rs. 20000/-(Rupees Twenty Thousand only) as a part of the DSA Programme of the Department of Economics, University of Calcutta, during 2016-2017, on ***“Renewable Resource Extraction and Sustainable Livelihood in some Backward Regions of west Bengal”***. **The project report has been submitted on due time.**

OTHER COLLABORATIVE RESEARCH:

- Involved as a working group member from India in a collaborative research programme (July 2008 to March 2009) entitled “Mainstreaming Sustainable Development Policies in East Asia” with the Economic Research Institute for ASEAN and East Asia (ERIA). Prepared ***“Sustainable Development Outlook: India”*** as a part of this programme. ERIA has commissioned Institute for Global Environmental Strategies (IGES), Japan, to coordinate this programme.

RESEARCH SUPERVISION:

PhD Supervision

- **Supervised the PhD thesis of 14 students (degree awarded).**

(a) Supervised successfully the Ph. D. Thesis of Arabinda Ghosh entitled ***“Some Aspects of Terms of Trade and International Trade Problems of a Developing Economy”*** at Burdwan University,2005.

Degree Awarded.

(b) Supervised successfully the PhD Thesis of Tania Basu entitled ***“Some Theoretical Aspects of Informal sector in a Developing Economy”*** at Burdwan University,2006 . **Degree Awarded.**

(c) Supervised successfully the PhD thesis of Chameli Pandit on ***“Some Economic Aspects of selected wetlands in the Burdwan District of West Bengal”***, at Burdwan University, in December 2007. **Degree Awarded.**

(d) Supervised successfully(jointly with S.K. Datta) the PhD thesis of Ruma Kundu on ***“ Comparative Economic Analysis of Marine and Inland Fisheries : A Case Study in West Bengal”***at Burdwan University in 2007. **Degree Awarded.**

(e) Supervised successfully the PhD thesis of Anindita Basu (Chowdhury) on ***“Some Theoretical Aspects of Foreign Capital Inflow: Problems of a Developing Economy”*** at Burdwan University, 2011. **Degree Awarded.**

- (f) Supervised successfully (jointly with Prof. Sugata Marjit) the PhD thesis of Biswajit Mandal on “*Theoretical Aspects of Trade and Industrial Organization in a Corruption Ridden Economy*” at Rabindra Bharati University, Kolkata, 2011. **Degree Awarded.**
- (g) Supervised successfully (jointly with Prof. Soumyen Sikdar) the PhD thesis of Mriganka De Sarkar on “*Environmental Hazards of the Indian Thermal Sector*” at Calcutta University. Prof. Kausik Gupta was the associate supervisor. 2015. **Degree Awarded.**
- (h) Supervised successfully the PhD thesis of Sudeshna Mitra entitled “*Aspects of Trade Liberalization and Labour Market Related Issues in a Developing Economy*” at Department of Economics, Rabindra Bharati University, 2016. **Degree Awarded.**
- (i) Supervised successfully the PhD thesis of Debolina Saha entitled “*Some Economic Aspects of Forestry in the Sunderbans*” at Department of Economics, Rabindra Bharati University. 2016. **Degree Awarded.**
- (j) Supervised successfully (jointly with Prof. Sanat Kumar Ghosh) the PhD thesis of Saikat Patra, entitled “*Some Economic Aspects of Elementary Education in India : An Empirical Study*” at the Department of Economics, Rabindra Bharati University .2016. **Degree Awarded.**
- (k) Supervised successfully the PhD thesis of Sanchita Saha entitled , “*Economics of Fishery and Livelihood : A Study in the Coastal Regions of West Bengal*” at the Department of Economics, Rabindra Bharati University . June 2017. **Degree Awarded.**
- (l) Supervised successfully the PhD thesis of Tonmoy Chatterjee entitled , “*Some Aspects of Health Sector in an Open Economy*” at the Department of Economics, Rabindra Bharati University . July 2017. **Degree Awarded.**
- (m) Supervised successfully the PhD thesis of Ghirmai Tesfamariam Teame entitled , “*Some Aspects of Sustainable Management of Resources and Environment in India*” at the Department of Economics, Rabindra Bharati University . November 2017. **Degree Awarded.**
- (n) Supervised successfully (jointly with Soumyananda Dinda) the PhD thesis of Nilendu Chatterjee entitled “*Dependency on Natural Resources in Dryland Areas of West Bengal*” at the Department of Economics, Rabindra Bharati University . November 2017. **Degree Awarded.**

-MPhil Supervision

- **Supervised M.Phil dissertation of 22 students (degree awarded). They are enlisted as follows:**
 - (a) “*Some Aspects of Employment and Profitability of India’s Basic Chemicals and Chemical Products Industry under the Liberalisation Regime*” by Anirban Paul, Department of Economics, Burdwan University, October 2001.
 - (b) “*A Study on the Performance of Two Inland Primary Fishermen’s Cooperative Societies in the Burdwan District of West Bengal*” by Chameli Pandit, Department of Economics, Burdwan University, October 2001.
 - (c) “*Some Aspects of Brackish and Marine Fisheries in the Junput Region of Midnapur District of West Bengal*” by Ruma Kundu, Department of Economics, Burdwan University, October 2001.
 - (d) “*A Study of the Productivity Trends and Factor Substitutability of Sugar Industry in India during 1980-2000*” by Anusri Pal, Department of Economics, Burdwan University, June 2003.
 - (e) “*Performance of Indian Major Ports in the Liberalization Regime*” by Sudipta Mukherjee, Department of Economics, Burdwan University, July 2003.
 - (f) “*Towards a Theoretical Rationale behind the Effects of Pollution Control in the Presence of Informal Sector*” by Joy Chowdhury, Department of Economics, Burdwan University, April 2004.
 - (g) “*Disequilibrium in the short-term Commercial Bank Credit Market and Portfolio Behaviour of the Public during 1970-71 to 1999-2000*” by Sidhartha Dandapat, Department of Economics, Burdwan University, July 2004.

- (h) *“Trade Liberalization and Skilled-Unskilled Wage Inequality in Developing Countries : A Theoretical Analysis”* by Tanima Basu, Department of Economics, Burdwan University, May 2007.

12. The paper “*Foreign Capital Inflow and Child Labour in a Developing Economy: A General Equilibrium Analysis*” has been presented in the one-day Conference organized by the **Centre for Studies in Social Sciences, Calcutta**, on 26th July, 2007.
13. The paper entitled “*Aquaculture vs Wild Shrimp Fisheries: A Bio-Economic Analysis for West Bengal and Orissa*” has been presented at the Fourth Biennial Conference of The Indian Society for Ecological Economics (INSEE) held at **Indira Gandhi Institute of Development Research, Mumbai**, during 3-4 June 2005.
14. The paper “*Inflow of Foreign Capital, Environmental Pollution and Welfare in the Presence of an Informal Sector*” has been presented in the Third Annual Conference on Models and Methods in Economics organized by Economic Research Unit of **Indian Statistical Institute, Kolkata**, during 15-17 January 2004.
15. The paper entitled “*Foreign Capital, R & D and Growth : A Theoretical Analysis*” has been presented at the 35th Annual Conference of The Indian Econometric Society held at the School of Future Studies and Planning, **Devi Ahilya University, Indore**, during 04-06 February, 2000

AREAS OF CURRENT TEACHING AND RESEARCH

Current Areas of Teaching

Major areas of teaching over last five years include International Economics, Microeconomics Resource and Environmental Economics etc.

Taught in recent past

- International Economics (both compulsory and special papers), Environmental and Resource Economics, at the postgraduate level.
- Dynamic Optimization Theory, General Equilibrium Models and its applications in LDCE and Game Theory at the MPhil and PhD course work classes.
- Worked as a **guest teacher** at the MSc level, Department of Economics, University of Calcutta, from 1998 to 2012 and taught Development Economics, International Economics, Resource Economics and Labour Economics.

Research

Major areas of current research interest include issues related to general equilibrium international trade models for developing countries, issues related to environmental and resource economic problems in India with special reference to bio-economic modeling of inland and marine fisheries (theoretical and empirical), theoretical modeling related to informal sector and environment, issues related to participatory forestry and livelihood.

DISTINCTIONS/HONOUR

Declared as “Meritorious Alumnus in Economics” by St. Xavier’s College, Kolkata, from July 2008 to June 2017 (continuously for four consecutive terms).

OTHER RELEVANT INFORMATION

- **Visited** School of Resource and Environmental Management, Simon Fraser University, British Columbia, Burnaby, **Vancouver, Canada**, to participate in a research discussion during September 13-18, 2004, under the Shastri Indo- Canadian Applied Research Project.
- **Worked as Managing Editor** of ‘*Arthaniti: Journal of Economic Theory and Practice*’ of the Department of economics, University of Calcutta (Published by SAGE International Publishers) from 2017 to 2019. Acting as Associate Editor of the same journal at present.
- Acted as referee in the past and is also currently acting as a referee of various reputed national and international journals.

All information given in the curriculum vitae are correct to the best of my knowledge and belief.

Date: 26/11/2020
