About the Commerce Department:

The Department of Commerce, University of Calcutta, from its inception in 1922, has traversed a long way before resting on the laurels of becoming the first UGC-acclaimed Centre of Advanced Study (CAS) among Commerce Departments of UGC-approved Indian universities. The Department takes pride in its commendable performance vis-a vis major developmental indicators such as student intake, number of teachers, published research work, updated curricula and courseware. Since a long time, the Department has been utilizing the services of numerous guest faculty members drawn from both academic institutions and industrial organizations of repute. At present, it has 20 whole time teachers and 39 guest faculty members. Many of the distinguished faculty members have done Ph.D. and are members of various professional institutions. Some of them have also travelled abroad for attending national and international seminars and conferences.

The Department, in keeping with the advancements in different branches of Commerce education, has revised the curriculum from time to time to make it compatible with contemporary challenges in the world of business practice. The immense popularity of the M.Com programme among students compels the Department to hold classes both, during the Day and the Evening shifts.

The department also runs a M.Phil programme since 1988.

The Ph.D. programme of the Department is one of its strongest areas. A large number of researchers have got their Ph.D. degrees in accounting, finance, management and other allied areas in commerce under the supervision of distinguished members of the faculty. At present, many research scholars are carrying on research work in various fields of studies under the guidance of faculty members.

The Department publishes a refereed bi-annual journal, Business Studies (ISSN 0970-9657), based upon contributions from reputed academicians and researchers across the country.

Research and teaching performance of the teachers of the Department had earned all India recognition leading to sanction of Special Assistance Programme by the University Grants commission in 1987. The third phase of the SAP concluded in March 2009. A number of research volumes have been published by the Department under this programme during the last two phases. National Seminars and Conferences on contemporary issues are held periodically in each year. In April 2005, the Department in recognition of its contribution to academic and research activities was granted financial support under ASIHSS—an Infrastructure Development Programme, by the University Grants Commission. Since April 2009 the Department has earned the unique distinction in the country by being awarded the Centre of Advanced Study (CAS).

Aware of the pressing need of the hour to have a Masters Degree in Finance, the Department launched a two-year full-time Master of Business Administration in Finance (MBA. in Finance) in September 2005 renamed, as per UGC direction, as MBA (Financial Management) from 2017. This programme has proven successes both in academic attainments and in placement. The fifteenth batch of students (2019-2021) will be admitted.

About Calcutta Stock Exchange (CSE) Limited:

Calcutta Stock Exchange Limited (CSE), a Recognized Stock Exchange, was incorporated in the year 1908 to serve the interest of the issuers, investors at large and its stakeholders for inclusive growth in terms of wealth distribution and making capital safer for investors. In the year 2007, the Exchange was demutualized as per the Regulatory guidelines wherein trading member owned Stock Exchange became a shareholder owned company.

Presently there are 2500 companies listed with CSE and among them 2200 are exclusively listed as per the SEBI approved arrangement. CSE has a tie-up with both BSE and NSE under Section 13 of SCRA, 1956 and through this arrangement; CSE has been able to reach small investors in this part of the State and also North-eastern region.

CSE is doing good job in investor awareness and has conducted over 500 awareness programs for the benefit of the investors. In line with the

professionally managed Governing Board of CSE, NISM and Government of West Bengal feel that the Exchange is playing a pivotal role for the development of capital market in the Eastern Region of India. CSE is providing a level playing field, platform in capital markets, for industries as well as investors at large and they have a future and role to play in the industry.

About the Centre and the Course:

University of Calcutta – Calcutta Stock Exchange Centre of Excellence in Financial Markets (CUCSE-CEFM), a Centre that is dedicated to multidisciplinary study and research in financial markets, is a collaborative effort of the Department of Commerce, University of Calcutta and the Calcutta Stock Exchange, and it functions as an independent body within the framework of the University of Calcutta. The Centre has been designed to share and leverage the expertise of the two sterling institutions towards advancing the understanding of financial markets/system, and protection of the interests of the retail investors. The objectives are congruent with those of regulatory bodies such as the Securities and Exchange Board of India (SEBI), the Reserve Bank of India (RBI), and the Ministry of Finance, Government of India. Within a short span of time, since 2013, the Centre has actively started to examine select issues that acutely confront the financial system in India. At present, the Centre is focusing on three thrust areas: capital markets, financial inclusiveness, and ethics in financial markets. The introduction of this diploma course in financial market is an outcome of its agenda to create a general awareness about financial markets.

Post Graduate Diploma in Investment Portfolio Management Service (PGDPMS)

1. Name of the Course

Post Graduate Diploma in Investment Portfolio Management Service (PGDPMS)

2. Course Objectives

Short term Goals

- Self-employment positions
- *Undergoing the course a person can*
 - ❖ Understand the manifold dimensions in the areas of capital market, financial inclusiveness, and ethics in financial markets, the three thrust areas of CUCSE-CEFM.
 - ❖ Prepare for qualifying various certifications from professional bodies of capital / financial market.
 - ❖ Make significant value addition to compete in the present-day industry scenario.

Long term Goals

- To foster the development of financial markets by producing skilled finance professionals.
- To further long-term goals including improvement in the syllabi/ curricula at different academic levels.
- To serve as an excellent and reliable means for providing practical training and evaluation of students and research scholars by the faculty members of the Department of Commerce and allied Departments, within the University of Calcutta, its affiliated colleges and other similar educational and research institutions committed to the study, research and teaching in financial markets.

3. Intake

Fifty (50) in total including SC, ST, OBC reservations as per University Norms.

4. Eligibility

Any candidate with Bachelor's Degree in Commerce / Science /Arts (Honours / General / Vocational / Engineering and Technology / Medical Sciences / or its equivalent) and of good merit, and with an interest in financial markets, is eligible to apply. A candidate, who appeared at the final examination for graduation is also eligible to apply. However, if selected, such a candidate has to submit adequate proof (pass certificate, mark sheet etc.) of his/her graduation before admission to this course. This course is also open to working professionals and Industry personnel.

5. Application Money (Prospectus & Form)

Candidates may download the application form from the University website, and submit it electronically, along with an application money of Rs. 500/- payable in favour of “**C.U. A/C CALCUTTA STOCK EXCHANGE CUSTOMERS PROTECTION FUND**”, to the e-mail address of University of Calcutta – Calcutta Stock Exchange Centre of Excellence in Financial Markets (CUCSE-CEFM).

6. Selection Criteria

Candidates are to be selected for the Course in order of merit of their past academic performance and personal interview.

9. Placement

The Department has been maintaining rapport with many commercial and industrial organizations through its former students who are well placed. Placement will largely depend on the value addition of the students, the opportunities available in the economy and the efforts of both the students, and the Department and Calcutta Stock Exchange.

REGULATIONS

1. General

The course of study leading to the Post Graduate Diploma in Investment Portfolio Management Service (PGDPMS) of the University of Calcutta shall be conducted by CUCSE-CEFM, a Centre of excellence with Calcutta Stock Exchange under the Department of Commerce of the University of Calcutta.

The University shall lay down from time to time such subsidiary rules of admission, course of study and methods of examination, as may be deemed necessary for the maintenance of adequate standard of University Education.

The medium of instruction for the course shall be English and candidates will have to answer the examination papers in English only.

The University of Calcutta, the Grantee to the MOU creating CUCSE-CEFM, shall receive yearly 10% of the gross revenue (from collection of course fees, excluding caution deposit, and application money) generated out of the course.

2. Admission

The minimum qualification for admission to the Course is a Bachelor's Degree (10+2+3 system) with Honours/General in Arts/Science/Commerce or a Bachelor's Degree (10+2+4) in Engineering and Technology/Medical Science/Law/Professional Course or its equivalent from any University recognized by the University of Calcutta.

The last date of receipt of applications, the last date for admission, and the course fees shall be fixed each year by the University. Initially, the number of students to be admitted shall be Fifty (50) Indian students. The course shall not be offered unless a minimum of forty (40) students enrol for the course.

Out of the total number of seats for the course, reservation rules as per University/Government rules and regulations will be followed.

Minimum marks to be obtained by a candidate belonging to Scheduled Caste / Scheduled Tribe shall be 25% less than the marks obtained by the lowest scoring candidate belonging to the general category.

Subject to the provisions of Regulations 2.3 and 2.4, if any seats reserved for Scheduled Caste/Scheduled Tribe remain vacant, the vacant seats shall be filled up from the general category in order of merit subject to approval of Competent Authority.

After selection for admission to the course, the candidate shall, within the date fixed by the University, deposit the necessary fees (admission fees, caution deposit etc.) prescribed for the purpose. If a candidate fails to deposit the fees within the stipulated date, his/her selection shall be liable to be cancelled. Such a candidate shall not be admitted unless a fresh order is made or an extension of date of payment of requisite fees is granted by the University authority.

2.7. Caution deposit paid at the time of admission shall be refunded only at the end of successful completion of the course. The University shall have the right to forfeit the amount of the Caution Deposit to the extent of the amount of damage caused, if any, by the candidate to the University and CSE property.

3. Course of Study

A candidate admitted to the course shall register himself / herself as a student of the University of Calcutta.

The course of study shall be one-year evening course.

Students admitted to the one-year PGDPMS course shall pursue the regular course of lectures, and other academic arrangements made for the one-year term.

A student shall be deemed to have pursued a regular course of study provided he/she has attended at least 75 percent of the lectures delivered in aggregate for each Module of the entire course of study.

The attendance of a candidate shall be counted from the date on which the respective class begins, or from the date on which he/she is admitted to the first Module classes, whichever is later.

The University shall have the power to condone a deficiency in attendance up to 10 per cent, as per rule.

A student who fails to pursue a regular course of study in respect of a particular Module shall be allowed to attend classes and take examination on all

subsequent Modules subject to fulfilment of conditions under Regulations 3.4, 3.5 and 3.6 for subsequent Modules. However, the student may be allowed to take re-admission to the Module, where he / she has failed to attend minimum number of lecture classes, in the next year only on payment of re-admission fees of Rs.2500 per Module.

Students of the one-year PGDPMS course shall have to pursue a course of study of the papers distributed into six (6) modules carrying 600 marks in total and project work and viva-voce carrying 100 marks (as per Syllabus in Annexure – I).

The syllabus as presented in Annexure -1 shall be amenable to changes, if so demanded by the market condition and required by the appropriate authorities from time to time.

4. Examinations

A student shall be allowed to appear in the examination for each Module only after he/she completes his/her regular course of study and has a minimum of 75% attendance to class lectures of such Module.

A student, who has less than 75% attendance but greater than or equal to 65% attendance to class lectures on a Module, shall be allowed to appear in the examination of such Module, provided such deficiency in attendance is condoned by the University authority.

A student with less than 65% attendance to class lectures on a Module shall not be allowed to appear in the examination of such Module; but can seek re-admission to the same Module next year on payment of an additional fee of Rs.2,500 per Module and comply with the requirements as mentioned in the Regulations.

Examinations shall be conducted by the Centre on each Module of 100 marks after the training ends for the module.

40 per cent of total marks in a Module will be deemed as pass marks for that paper, and 40 per cent marks in aggregate out of 700 marks across six Modules, and Project Work and Viva Voce will be deemed as pass marks for qualifying the one-year PGDPMS course. A candidate who fails to secure 40% marks in any Module shall be allowed two more chances to qualify the examination in

that Module when held in two consecutive next years on payment of re-examination fees of Rs.500 per Module in each such chance.

A candidate who fails in the project work and viva voce examination will be given one more chance only to qualify in the next year on payment of re-examination fee of Rs.500.
