The interview process will be conducted in online mode on the GoogleMeet platform. The Meeting Id and Passcode will be sent in due time to the email address provided by the candidate. Candidates appearing in the interview will have to submit their research proposals (not exceeding 1000 words) to cill.cu2005@gmail.com at least one week before the interview. Candidates who are employed must carry one no objection certificate from the employer at the time of interview. Candidates without a research proposal will not be interviewed. All further correspondence with the candidates will be done through email.
