UNIVERSITY OF CALCUTTA

CORRIGENDUM

For Merit Index calculation of **Four-year B.A./B.Sc. Honours & Honours with Research** Courses of Studies (published under University notification no. CSR/27/2026, dt. 08.04.2026):

Amendment

When the candidate has not studied the Subject/ Related subject in the previous qualifying Examination, i.e., 10+2:

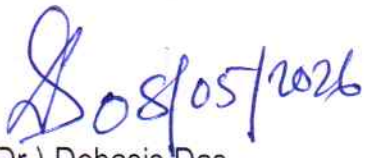

For the purpose of Merit Index calculation to determine the eligibility for admission to the B.A./B.Sc. (Single-Major) Courses, aggregate marks shall be calculated by adding the marks obtained in top-four subjects and the average marks of the top four subjects.

Explanation:

If marks of top four subjects are m_1, m_2, m_3 & m_4 , then aggregate mark shall be

$$(m_1+m_2+m_3+m_4) + A$$

Where $A = \text{Average of top four subjects} = (m_1+m_2+m_3+m_4)/4$
