

Recruitment of one JRF under a SERB-IRPHA project at Department of Biochemistry, CU

Interested eligible candidates are requested to appear before a selection committee on Google Meet on 8.3.2021 for recruitment of one JRF for the project funded by the Science & Engineering Research Board (SERB) Govt. of India, entitled “**FTIR based ultrafast detection and quantitative assessment of COVID-19 viral load**” (File No IPA/2020/000292) under Dr Sanghamitra Sengupta, Department of Biochemistry, 35, Ballygunge Circular Road Kolkata-700019, University of Calcutta.

Qualification required: First Class M. Sc in any branches of Life-Sciences with NET (JRF/LS) or GATE or similar qualifications. Preference will be given to candidates having previous laboratory experience in the fields molecular biology and biophysics (spectroscopy). Duration of the project will initially be for a year. Age limit and the fellowship will be as per the rules of the funding agency and University of Calcutta.

Candidates are requested to mail the complete applications furnishing a brief Bio-data with self-attested copy of supporting documents to the following mail ID: ssbioc@caluniv.ac.in by 5.3.2021. Please email a single merged pdf while applying. Short listed candidates will be notified by email by 7.3.2021.

Google Meet link and the tentative time of interview will be provided to chosen candidates before the interview.

Dr. Sanghamitra Sengupta
Associate Professor
Department of Biochemistry
University of Calcutta
