CU/CHEM/NMR/Liquid nitrogen /June 2022-March 2023

9th June, 2022

QUOTATION NOTICE

Quotation for liquid nitrogen is invited from parties (per litre basis) along with necessary business documents within seven days from the date of this notice. The quotation should be addressed to:

The Head
Department of Chemistry
University of Calcutta
92 APC Road,
Kolkata-700009

PARTICULARS:

The following terms and conditions should apply and should be written in the quotation.

TECHNICAL SPECIFICATIONS (Two Bid Tender: Technical and Price)

Sl. No	Particulars	Approximate Quantity
1	Uninterrupted supply of Liquid Nitrogen with 99.99% purity in the container (Dewar flask) provided by the Department for 300 and 400 MHz NMR Spectrometers in the Dept. of Chemistry during the period mentioned	Rate Contract for per litre inclusive of Taxes and lab delivery. Minimum quantity: 50 Litres in every week for the period mentioned.

Terms and conditions: Should be confirmed by Vendor while submitting the Bid.

1. Supply should be executed on a fixed date in every week without fail.
2. In case of emergency vendor should have enough technical capability to refill liquid nitrogen in Super conducting NMR Magnet as per demand from User/Department with no extra cost.
3. Vendor should confirm the ability to support the user/department by giving liquid nitrogen dewars and Nitrogen gas cylinders on loan as and when required for temporary use at free of cost.
4. In case of emergency vendor might have to asked to deliver additional liquid nitrogen on and above the weekly requirement as specified above and the vendor should have capability to execute this order in 24 hours from the time of request.

All kind of handling and delivery of the material up to NMR Laboratory, Dept. of Chemistry, Calcutta University Kolkata should be done by vendor.
