**Tender Notice**

**Ref. No. ZOO/SRC/SERB/EQP1/2017-18**

Quotation for the following item is being invited from authorized parties. The suppliers are kindly requested to bid their tenders mentioning the **Reference No. and Date** accompanied with **Current CST/VAT Copy, Trade License Copy & Pan Copy, Copy of Registration Certificate with Statutory Authorities and other credentials** within seven(7) days from the publication of this notice in a sealed envelope addressed to the undersigned. The authority reserves the right to accept or reject any quotation without showing any reason thereof.

| Sl.No | Cat No.    | Manufacturer | Products                                                   | Features                                                                                                                                                                                                                                               | Qty |
|-------|------------|--------------|------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| 1     | 165-8006FC | Biorad       | Mini-PROTEAN® Tetra Cell with Accessories                  | 4-gel vertical electrophoresis system, 1.5 mm gel thickness, includes companion module, 2 casting stands, 4 casting frames, 10-well combs, 5 short plates, and 5 spacer plates, with TGX Stain Free™, FastCast™ Acrylamide Starter Kit, 10%(161-0182); | 1   |
| 2     | 164-5050   | Biorad       | PowerPac™ Basic Power Supply                               | 100–120/220–240 V, power supply for basic applications such as submerged horizontal gel electrophoresis, includes power cord                                                                                                                           | 2   |
| 3     | 165-3308   | Biorad       | Mini-PROTEAN® Short Plates                                 | Pkg of 5, short plate for Mini-PROTEAN Tetra System and Mini-PROTEAN 3 Multi-Casting Chamber                                                                                                                                                           | 1   |
| 4     | 165-3312   | Biorad       | Mini-PROTEAN® Spacer Plates with 1.5 mm Integrated Spacers | Pkg of 5, spacer plate with 1.5 mm integrated spacer, for Mini-PROTEAN Tetra System and Mini-PROTEAN 3 Multi-Casting Chamber                                                                                                                           | 1   |

|   |          |        |                                                                                           |                                                                                                                                                 |   |
|---|----------|--------|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|---|
| 5 | 165-3366 | Biorad | Mini-PROTEAN® Combs, 15-well, 1.5 mm, 40 µl                                               | Pkg of 5, combs for Mini-PROTEAN Electrophoresis Cell, use with 1.5 mm glass plates                                                             | 1 |
| 6 | 170-4467 | Biorad | Mini-Sub® Cell GT Horizontal Electrophoresis System, 7 x 10 cm tray, with mini-gel caster | Mini horizontal electrophoresis system, includes 8- and 15-well combs, 7 x 10 cm (W x L) UV-transparent tray, mini-gel caster                   | 1 |
| 7 | 170-3930 | Biorad | Mini Trans-Blot® Electrophoretic Transfer Cell                                            | Gel transfer cell for two 10 x 7.5 cm gels, includes two gel holder cassettes, foam pads, electrodes, tank, blue cooling unit, lid with cables; | 1 |
| 8 | 170-3935 | Biorad | Mini Trans-Blot Module                                                                    | Modular system includes 2 gel holder cassettes, foam pads, electrode assembly, cooling unit                                                     | 1 |
| 9 | 165-8040 | Biorad | Buffer Tank and Lid                                                                       | Pkg of 1, replacement tank and lid for use with Mini-PROTEAN® Tetra cell                                                                        | 1 |

Yours faithfully,

*Sougata Roy Chowdhury* 8/06/2017
