Sub: Request for approval for second E-tendering call for 10kWp Solar plant

Dear Madam,

Please be informed that a 10kWp solar plant will be installed at the rooftop of the Department of Applied Physics after due approval of the Vice Chancellor. The fund for the same has kindly been approved by you vide FC resolution dated 27.06.2017 (item No.11) and confirmed by Syndicate dated 24.07.2017 (item no. 2). Accordingly e-tender was published with Tender Reference no.: ET/CU/APhy/06/02-18, Tender ID: 2018_CU_154673_1 on dated 13.02.2018; the last of date submission being 06.03.2018. Since only one bidder participated in the tender, the date was extended on - 08.03.2018. The last date for submission with the extended date was upto 16.03.2018 which is also completed. It has been observed that this time also no additional bid has been submitted. As only one bid is received instead of minimum requirement of three bids, we are unable to open the bid and the first call of this e-tendering is required to be cancelled. In this context, **second E-tendering** call for the same proposal is needed by cancelling the first one. I, therefore, request your kind self to approve the **second E-tendering** call by cancelling the first call.

Thanking you,
Yours faithfully,

Bera
